Wondering About Mental Health Services?

What services exist in and around your community? How do you navigate the mental health system in Massachusetts? Where can you find information about topics related to mental health?

Find answers at MSPP INTERFACE Referral Service www.msppinterface.org

MSPP INTERFACE works to increase awareness of mental health issues impacting children, families, and adults and to facilitate access to appropriate services. Visit the website to learn more about anxiety, bullying, depression, divorce, eating disorders, grief/loss, and much more. In addition, helpline services are available in:

Alford, Becket, Egremont, Great Barrington, Lee, Monterey, Mt. Washington, New Marlborough, Otis, Stockbridge, Sandisfield, Sheffield, Tyringham and West Stockbridge

Call the MSPP INTERFACE Helpline at 617-332-3666 x1411 or 888-244-6843 x1411 for resource information and/or provider referrals from a mental health professional.

MSPP INTERFACE is a program of the Massachusetts School of Professional Psychology and works in collaboration with the Massachusetts Child Psychiatry Access Project (MCPAP), the Massachusetts Department of Mental Health, the Massachusetts Department of Public Health Suicide Prevention Program, and Riverside Community Care. Contact Beth Rogan (beth_rogan@mspp.edu) to learn more about MSPP INTERFACE, including how to bring valuable helpline services to your community.
